

## **Transportation Advisory Committee Meeting Minutes**

**April 22, 2020 @ 2pm**

### **Zoom Meeting**

Roll Call

Cooper – Don Baragary

Moniteau – Mac Finley

Quorum not met. Agenda and Minutes approval tabled until future meeting.

Presentation – Boonslick RPC presented on the mobility management project they have partnered with Mid-MO RPC on to assist Jeff Tran. Boonslick RPC has transit experience and manages the MO Rides service that connects individuals in need of transportation with providers. The project with Jeff Tran aims to increase community awareness of Jefferson City transit options and improve transit coordination. Current components of the project include the use of Zimmer radio ads on KTGR to bring awareness of City transit and how affordable it is. Coming soon is a google map option of routes.

MoDOT update – Infra grant projects to begin. Climbing lanes set to start this year. Broadway bridge in KC to follow. Rocheport Bridge to begin sometime next year. Several bridges underway in the Mid-MO region.

Local updates – Moniteau: Highest per capita Corona impact in the state currently. BRO bridges underway. Cole: Cole has standing EOC. County stay-at-home order ending and moving to align with Governor's state-wide order. Portion of Mt. Hope Rd to be paved. Cooper: Cart fund concerns. 2 month lag. Concerns about internet tax if people don't return to in-person shopping when Covid is over. BRO bridges set to start.

Adjourn – 3:03pm
