

## February 24, 2021 TAC Meeting

### Zoom Only

#### Attendees

Mac Finley  
Joanie Pringer  
Jeremiah Johnmeyer  
Lee Bowden  
David Bock  
Leland Rehard  
Hanna Thomas  
Gary Jungermann  
Josh Hartsock  
Mike Dusenberg  
Bob Lynch  
Kirsten Munck  
Eric Landwehr  
Kyle Bruemmer  
Heather Russell  
Katrina Williams  
Dan Haid  
Jennifer Bowden

#### Call to Order – 2:03pm

Motion to approve Agenda made by Gary. Seconded by Jeremiah. Motion passed unanimously.

Motion to approve minutes with spelling correction made by Jeremiah. Seconded by Eric. Motion passed unanimously.

TAP Presentations – We had three TAP applications for our region. Each was given a few minutes to present on their project and answer any questions scorers might have.

Ashland's project seeks to replace existing out of ADA compliance sidewalks along Broadway between Henry Clay Blvd. and Main St.

Centralia is asking for funds to put in sidewalk along Hwy 22 and create a cross walk allowing residents on the north side of town safe access to amenities on the south.

Fulton is looking to finish a stretch of sidewalk along Business 54 that will connect existing sidewalk near a large subdivision with sidewalk that runs to the nearby school.

Scorers gave each project points based on the MoDOT scoring rubric. Fulton was awarded top points and will be put forward as the Mid-MO region top priority project.

Unfunded Needs List Meeting update – Staff was part of an unfunded needs meeting with MoDOT last Friday to go over needs of Central District and costs associated with those projects. Projects are broken into tiers based on size and cost. This list helps show the need of our system and the cost needed to made significant impacts to our road networks.

Central District Report – No BRO funds. Bridge status available. Financial forecast a bit better. \$235 mil in covid funding. Amendment 3 bonds maturing so additional bonding to come. MO looking at South Carolina transportation bill with gas tax refund.

Local Reports – None

Adjourned – 3:30pm
