

## **October 21, 2020 TAC Meeting Minutes**

Zoom meeting

Call to Order: 2pm

Gidget Koestner gave presentation on the MO Safety Circuit Rider Program. The goal of the program is the drive down Missouri's roadway fatalities and increase safety on local roads through services such as providing information on local road safety, application guidance for grants, and much more. These services are free. Contact Gidget for assistance.

Central district report given on upcoming projects for the region.

No local reports

Announcements: Next meeting will be to prioritize the regional needs list. We send this list to MoDOT every year. Be looking to hear from staff about your current list to make changes if needed.

Adjournment: 2:44pm.
